MEMO

To: Residents of Morkeski Meadows, McCabe Court, Fountain Drive, Foulds Terrace, O'Connor Heights, & Bingham Way
From: Maggie Cleary, Executive Director
Date: 1/28/2021
Subject: COVID-19 Vaccine Rollout

There are many questions about the COVID-19 vaccine rollout for seniors. We seem to be receiving new information daily. This memo is to update our residents with the information that we have right now.

1. Any MA resident aged 75 or older is eligible to receive the vaccine beginning on Monday, February 1, 2021.
2. Later in February, at a date yet to be determined, all residents of NAHA Senior / Disabled Public Housing will be eligible to receive the vaccine, regardless of age.
3. The vaccine is free of charge, regardless of insurance status, wherever you receive it.
4. Our goal is to hold a vaccination clinic for residents at one or more of our properties. However, this takes planning and working with state and local officials to obtain the vaccines and administer the clinic. It is likely that the clinic will not be held until sometime in March 2021.
5. In the meantime, if you are able, you may schedule an appointment at a provider location, pharmacy, or mass vaccination site. Additional pharmacy, provider, and mass vaccination sites will come online in the coming weeks. If you are under 75, these sites will require appropriate identification to establish that you meet the senior housing prioritization criteria. In the coming weeks, we will mail this documentation to all residents.
 - This is the web address for the interactive map that you can use to book your appointment online: www.mass.gov/info-details/covid-19-vaccination-locations-for-individuals-in-eligible-groups-and-phases
 - If you wish to book an appointment online for the mass vaccination site at the Double Tree Hotel-Danvers you can use this link: curative.com/sites/24181

If you are 75 or older, you may use the above links to book your appointment ASAP. If you are under 75, you may make your appointments later this month. This memo will be placed on our website – www.northandoverha.com, along with links to the vaccination appointment websites.

Please continue to wear your masks and social distance. North Andover is still considered a high-risk community! Currently, all community rooms and spaces remain closed for socializing.

Please call or email me with any questions or concerns.

Thanks!
